Invitation

Voluntary and Community Sector

Festive Forum and AGM

Lifetimes Charity invites you to a networking event
for the local public sector and the VCS

11 Dec 2012, 13:30-16:30 followed by drinks reception

Following up on our Voluntary and Community Sector events from the last two years, we are hosting a festive end of year VCS Forum at Battersea Arts Centre. The event will be in three parts - we will start with a short AGM; then you will have the chance to discuss key areas of public sector-VCS collaboration and afterwards there will be time to mingle over drinks and nibbles.

We have invited decision-makers from key Council departments and the NHS to continue the discussions held at previous forums and at the Let's Talk meeting organised by the Council in September 2012. That meeting called for more focused, thematic dialogue in key areas. This is your chance to start that dialogue.

Priority will be given to voluntary and community organisations based in Wandsworth. Due to space restrictions, we may operate a waitlist for this event. Contact Clare or Jo with any queries on 020 8875 2846 or email info@life-times.org.uk

Please notify us if you have any access needs.
